DAY 1 & 2

NAIROBI, THE EMAKOKO

On arrival into Jomo Kenyatta International Airport you will be met by a Choose Safari representative who will transfer you to the Deluxe Lodge – The Emakoko. Accommodation is booked for 2 nights on a full board basis.

In a serene and informal atmosphere, you can escape the stress of everyday life and relax, while enjoying a superb start to your safari in a unique wildlife environment. The Nairobi National Park is a wonderful refuge from Nairobi's dynamic and vibrant city centre. The park is rich in a huge number of wildlife species and unique in being a natural wildlife habitat next to a capital city. The Emakoko is a family-owned and run lodge artfully built into the side of a valley on the Mbagathi River, which borders the Nairobi National Park. The Emakoko is a 45 minute transfer from both the international and domestic airports. At times the silence can be almost deafening during the day, and the nights are often filled with distant noises of wild animals going about their nocturnal activities. The lodge offers day excursions in the National Park and too many other places of interest.

DAY 3, 4 & 5

LEWA, WILDERNESS TRAILS

After the breakfast you will be collected from The Emakoko and transferred to Wilson Airport to catch the scheduled flight to Lewa Wildlife Conservancy. On arrival into Lewa you will be met at the airstrip and transferred to Lewa Wilderness Trails. Accommodation is booked for 3 nights on a full board basis.

Wilderness Trails Lodge – Adventure in Comfort. Lewa Wilderness Trails is one of Kenya’s oldest private safari

experiences. For forty years guests have been coming to this remarkable region to be part of an adventure, like no other. Sitting in the shadow of Africa’s second highest mountain, Mount Kenya, the climate at Lewa is perfect with warm days and cool nights. The plains and valleys are full of some of the most endangered animals on the earth and the Lodge is delighted to play its part in their survival. On Lewa there are a wide range of activities and adventures to discover in both comfort and style.

DAY 6 & 7

LAIKIPIA PLATEAU, SARARA TENTED CAMP

After the breakfast you will be collected from the Lewa Wilderness Trails and transferred to Airstrip to fly to Laikipia. On arrival into Laikipia you will be met at the airstrip and transferred to Sarara Tented Camp. Accommodation is booked for 2 nights on a full board basis.

Sarara Tented Camp. Simple yet luxurious tented accommodation set amidst the pristine landscape of the Namunyak Community Conservancy. Sarara has established itself as one of the ‘hot spots’ for quality leopard viewing in Africa and equally, for close-up sightings of the shy, lesser kudu. The African wild dogs are frequently encountered in the Sarara valley. Elephant, buffalo, giraffe, gerenuk, impala and warthogs are regularly seen on your game drives and bush walks.

It is possible to do a night safari that takes you out into the bush to search for the nocturnal “star” of Sarara, the leopard. Early morning safaris are the best time for seeing the wildlife. Our guides will have you back in time for breakfast at camp or you can take a picnic breakfast out into the bush. Our Samburu naturalist guides can take you for an early morning walk through the bush to show you the glorious flora and fauna surrounding the camp.

After the breakfast you will be collected from Sarara Tented Camp and transferred to the Airstrip to fly to Maasai Mara. On arrival into Maasai Mara you will be met at the airstrip and transferred to Mara Plains Tented Camp. Accommodation is booked for 3 nights on a full board basis.

Imagine a camp set right in the heart of some of the greatest predator country of Africa...
Mara Plains Tented Camp is a small, high quality, sev-

en-roomed tented camp. It is built on raised decks, with sweeping views across Kenya's Masai Mara. It is one of the smallest and most personal camps in the Mara region. Here, it is possible to avoid the high tourist density of the Masai Mara Game Reserve. Mara Plains offers possibly the widest range of activities anywhere in the greater Masai Mara – early morning and late afternoon and night game drives, balloon safaris (at extra cost), authentic local Maasai village visits and unrivalled access to superior wildlife habitats.
