DAY 1 & 2

NAIROBI, THE EMAKOKO

On arrival into Jomo Kenyatta International Airport you will be met by a Choose Safari representative who will transfer you to the Deluxe Lodge – The Emakoko. Accommodation is booked for 2 nights on a full board basis.

In a serene and informal atmosphere, you can escape the stress of everyday life and relax, while enjoying a superb start to your safari in a unique wildlife environment. The Nairobi National Park is a wonderful refuge from Nairobi's dynamic and vibrant city centre. The park is rich in a huge number of wildlife species and unique in being a natural wildlife habitat next to a capital city. The Emakoko is a family-owned and run lodge artfully built into the side of a valley on the Mbagathi River, which borders the Nairobi National Park. The Emakoko is a 45 minute transfer from both the international and domestic airports. At times the silence can be almost deafening during the day, and the nights are often filled with distant noises of wild animals going about their nocturnal activities. The lodge offers day excursions in the National Park and too many other places of interest.

DAY 3 & 4

LAIKIPIA PLATEAU, OL MALO LODGE

After the breakfast you will be collected from The Emakoko and transferred to Wilson Airport to catch the scheduled flight to Laikipia. On arrival into Laikipia you will be met at the airstrip and transferred to Ol Malo Lodge. Accommodation is booked for 2 nights on a full board basis.

Ol Malo. In this majestic setting- on a rock escarpment on the edge of the Laikipia Plateau, bordering the tribal heartlands of the nomadic Samburu people – the Fran-

combe family and their Samburu neighbours have created a home for themselves and a dream destination for the privileged few who seek a glimpse into the true heart of Africa.

To stay at Ol Malo is to live by a different rhythm – measure the day by the time-worn patterns of nature. Wake up to see the awe inspiring sunrise, framing the snow-capped peaks of Mt. Kenya. Celebrate the new day with a dawn ride into the wilderness to view the animals as they

awake. Feel the night's chill burn off with the rising of the great equatorial sun while enjoying a bush breakfast. Visit the colourful Samburu nomads of the North and sink with the dying sun into the waters of the swimming pool. At night luxuriate in the peace and comfort of Ol Malo and tune into the magical sounds of wild Africa while dining under the stars. To stay at Ol Malo is to abandon oneself and live by another drumbeat in this wild and beautiful land.

DAY 5, 6 & 7

MASAI MARA, MARA PLAINS CAMP

After the breakfast you will be collected from Ol Malo Lodge and transferred to the Airstrip to fly to Maasai Mara. On arrival into Maasai Mara you will be met at the airstrip and transferred to Mara Plains Camp. Accommodation is booked for 3 nights on a full board basis.

Imagine a camp set right in the heart of some of the greatest predator country of Africa...

Mara Plains Tented Camp is a small, high quality, seven-roomed tented camp. It is built on raised decks, with sweeping views across Kenya's Masai Mara. It is one of the smallest and most personal camps in the Mara region. Here, it is possible to avoid the high tourist density of the Masai Mara Game Reserve. Mara Plains offers possibly the widest range of activities anywhere in the greater Masai Mara – early morning and late afternoon and night game drives, balloon safaris (at extra cost), authentic local Maasai village visits and unrivalled access to superior wildlife habitats.

After the breakfast you will be collected from the Mara Plains Camp and transferred to airstrip to fly to Diani Beach. On arrival into Diani you will be met at the airstrip and transferred to Alfajiri Villas. Accommodation is booked for 4 nights on a full board basis.

Alfajiri Villas. Considered by many as the finest Villas on the East African Coast, Alfajiri Villas overlook the Indian Ocean and their elevated positions ensure privacy and stunning views. African Style villas where the theme is

high Makuti roofs, ivory Danish floors, wooden beams, Lamu doors and impressive African and Far Eastern Artifacts. Most of the furniture is made on the property in the villa's workshop. The gardens are meticulously maintained and include many palms from the villa's nursery. Large verandas with huge hand carved sofas with cushions dominate the front of the villas where a stretch swimming pool sits on the edge of a small cliff merging into the sea and the horizon.

After a delicious breakfast we will transfer you to the airstrip for your morning / afternoon flight to Nairobi. On

arrival you will be transferred to Jomo Kenyatta International Airport for your international or onward flight.
