The Nairobi National Park is a wonderful refuge from Nairobi's dynamic and vibrant city centre. The park is rich in a huge number of wildlife species and unique in being a natural wildlife habitat next to a capital city.

The Emakoko is a family-owned and run lodge artfully built into the side of a valley on the Mbagathi River, which borders the Nairobi National Park. The Emakoko is a 45 minute transfer from both the international and domestic airports. At times the silence can be almost

Adventure in Comfort. Lewa Wilderness Trails is one of Kenya's oldest private safari experiences. For forty years guests have been coming to this remarkable region to be part of an adventure, like no other. Sitting in the shadow of Africa's second highest mountain, Mount Kenya, the climate at Lewa is perfect with warm days and cool nights. The plains and valleys are full of some of the most endangered animals on the earth and the Lodge is delighted to play its part in their survival. On Lewa there are a wide range of activities and adventures to discover in both comfort and style.

## DAY 5, 6 & 7

## LAIKIPIA PLATEAU, SARARA TENTED CAMP

Sarara Tented Camp. Simple yet luxurious tented accommodation set amidst the pristine landscape of the Namunyak Community Conservancy. Sarara has established itself as one of the 'hot spots' for quality leopard viewing in Africa and equally, for close-up sightings of the shy, lesser kudu. The African wild dogs are frequently encountered in the Sarara valley. Elephant, buffalo, giraffe, gerenuk, impala and warthogs are regularly seen on your game drives and bush walks.

It is possible to do a night safari that takes you out into the bush to search for the nocturnal "star" of Sarara, the leopard. Early morning safaris are the best time for seeing the wildlife. Our guides will have you back in time for breakfast at camp or you can take a picnic breakfast out into the bush. Our Samburu naturalist guides can take you for an early morning walk through the bush to show you the glorious flora and fauna surrounding the camp.

## MASAI MARA, REKERO CAMP

DAY 8, 9, & 10

*After the breakfast you will be collected from Sarara Tented Camp and transferred to the Airstrip to fly to Maasai Mara. On arrival into Maasai Mara you will be met at the airstrip and transferred to Rekeru Camp. Accommodation is booked for 3 nights on a full board basis.*

Rekeru Camp. “AFRICAN CATS”, The Walt Disney wildlife movie was filmed here, in the heart of Kenya’s Masai Mara. The camp is perfectly located to experience every aspect of this wilderness. Wildlife viewing and bird watching can be done by specially adapted vehicle or outside the park on foot. With experienced Il Dorobo and Maasai guides who can share with you, through their eyes, a world that only they know. This can be a full day in the bush or shorter excursions returning to the calm of the camp. The cultural aspect is one of the strongest elements of the experience either in camp or with a visit to one of the villages from which the guides come from. This is a highly personal experience which is operated, sensitively to ensure it remains both unobtrusive and genuine. Picnics in the bush and sun downers also feature along with dawn flights in a hot air balloon (balloon at extra cost).

back from the white heat of the beach are seven Lamu houses, which make up this luxury resort. Architecturally different, typically each house offers vacation accommodation to include: five ensuite bedrooms, a central swimming pool and an array of dining and living spaces. This unique beach resort also offers three ultra-romantic ‘couples reserved’ beach cottages with broad verandas, gracious en-suite bedroom accommodation, simple central living areas and access to a shared infinity pool and sun. Kizingoni Beach – A wonderful place in which to stylishly entertain or to simply relax with family and friends.
